REVIEW OF THE SITUATION AS REGARDS EXTRABUDGETARY FUNDS

The present corrigendum is issued to correct the references to the Appendices in document A/AC.241/69 as follows:

1. Paragraph 9 should refer to Appendix B instead of to Appendix C and should read as follows:

> "The situation concerning contributions and outstanding pledges to the Trust Fund is shown in Appendix B."

2. Paragraph 10 should refer to Table 1 of Appendix C instead of Appendix D and should read as follows:

> "Trust Fund expenditures incurred to-date in 1996 totalling some US$ 1,760,900 (inclusive of 13% programme support costs) are summarized by objects of expenditures in Table 1 of Appendix C."

3. Paragraph 42 should refer to Appendix D and to Table 2 of Appendix C and should read as follows:

> "The status of contributions received and outstanding pledges for the Special Voluntary Fund is shown in Appendix D. A short table on the current biennium expenditures reported under this Fund is reflected in Table 2 of Appendix C."

4. Paragraph 48 should refer to Appendix E instead of to Appendix F and should read as follows:

"The staffing situation of the Secretariat as of 30 September 1996 is shown in Appendix E. It does not include consultants or temporary staff hired to assist the Secretariat during sessions of the Committee."

5. Paragraph 52 should refer to Appendix F instead of to Appendix G and should read as follows:

"The staffing distribution of the Secretariat is shown in Appendix F which summarizes the main fields of activity of each staff member and which also provides the sources of funding for each corresponding post. Due to the minimal level of staffing, it is important to recognize that staff members are often called upon to perform other duties, depending on the Secretariat's workload at any given time."
